INGREDIENTS

Calcium Carbonate, Magnesium Oxide, Calcium Phosphate, Salt, Molasses Products, Bentonite, Yeast Culture, Zinc Sulfate, Manganese Sulfate, Vitamin A Supplement, Vitamin D-3 Supplement, Copper Sulfate, Natural and Artificial Flavors, Iron Oxide, Vitamin E Supplement, Sodium Selenite, Calcium Iodate, Ethylenediamine Dihydriodide, Cobalt Carbonate.

FEEDING DIRECTIONS:

Free-Choice Feeding to Beef Cattle:

Feed free-choice when cattle are on lush grass or small grain pastures. Do not feed any additional mineral or salt. Mature cows should consume 113.5 g (4.0 oz) per head per day to provide 0.4 oz of magnesium and 3 mg of selenium per head per day. Always provide plenty of clean, fresh water.

Mixing with Grains for All Types of Ruminating Cattle:

When grazing low magnesium-containing forages, mix 125 lb of Co-op Foundation Hi Mag Cattle Mineral with 1875 lb of ground feed and feed 4 lb per head per day. This level will provide 0.4 oz of magnesium and 3 mg of selenium per head per day. Be sure to provide enough trough space so that all animals can eat at the same time. Always provide plenty of clean, fresh water.

CAUTION: Do not feed to sheep or other copper-sensitive animals.
