PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID:	
If in Eyes:	- Hold eye open and rinse slowly and gently with water for 15-20 minutes. - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. - Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-222-1222, 24 hrs/day, 7 days/wk for emergency medical treatment information.	

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high-water mark.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION

This product is to be used as a cattle feed-through pesticide for the control of horn flies. All feed ingredients listed on this product label must adhere to the specifications and limits (if applicable) ascribed by the Food and Drug Administration (FDA) for the use of pesticides in cattle feed. This product contains ethoxyquin, a preservative. The amount of ethoxyquin may vary according to the individual manufacturer's formulation and will not exceed the 150 ppm maximum limit established for ethoxyquin by FDA, per 21 CFR 573.380.

FEEDING AND MANAGEMENT INSTRUCTIONS

Feed this product to cattle only. When used as directed, Co-op Supreme Hi Mag Cattle Mineral-ALTOSID will provide sufficient (S)-Methoprene insect growth regulator to prevent the emergence of adult horn flies from manure of treated cattle. Existing adult horn flies will not be affected. Start feeding before horn flies appear and continue use until cold weather marks the end of the horn fly season. Allow free-choice to cattle. Cattle should consume an average of 0.4 oz of Co-op Supreme Hi Mag Cattle Mineral-ALTOSID per 100 lb of cattle body weight per day which is equivalent to 4 oz per day for a 1,000 lb cow. This feeding rate is Zinpro® verified to provide 360 mg of Zn and 12.6 mg of Co from Zinpro® products.

1. Assure cattle are not starved for nutrients in Co-op Supreme Hi Mag Cattle Mineral-ALTOSID by providing them prior to feeding Co-op Supreme Hi Mag Cattle Mineral-ALTOSID.
2. Co-op Supreme Hi Mag Cattle Mineral-ALTOSID contains added copper. Do not feed to cattle in close proximity to sheep or other species that have a low tolerance to supplemental copper.
3. Offer cattle 50 lb of Co-op Supreme Hi Mag Cattle Mineral-ALTOSID for every 15 head of cattle.
4. Remove all other self-limiting nutritional supplements while cattle are consuming this product.
5. Locate Co-op Supreme Hi Mag Cattle Mineral-ALTOSID where cattle congregate (watering, loafing, shade areas).
6. Replenish Co-op Supreme Hi Mag Cattle Mineral-ALTOSID on a regular basis as needed.
7. If intake of Co-op Supreme Hi Mag Cattle Mineral-ALTOSID is below 0.4 oz per 100 lb cattle body weight per day, increase the number of feeding locations and/or change location(s) to areas more frequented by cattle.
8. If intake of Co-op Supreme Hi Mag Cattle Mineral-ALTOSID is above 0.4 oz per 100 lb cattle body weight per day, reduce the number of feeding locations and/or change location(s) to areas less frequented by cattle.
9. Introduction of this product after adult horn fly infestation is established will require treatment of cattle with adulticides if elimination of the adult fly population is desired.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool place.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Completely empty bag. Then offer for recycling if available or dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
